Subject - 2007 Honda Ridgeline Airbag Recall - 3-2016

Dear Sir

I have been attempting to get the above noted recall corrected on my vehicle with out success. I have contacted the local Honda Dealership on 4-25-16, and 7-13-16 with no success or action.

I think I need some assistance on your end to get this taken care of.

I appreciate your help.
