Dear Reader,

**I recently purchased a new 2017 MUSTANG premium coupe,
VIN 1FA6P8TH0H5 [REDACTED] and have experienced several instances
with my foot sliding off the chrome brake pedal onto the gas pedal.
This has happened wearing sneakers and leather sole shoes.
The use of chrome on the brake pedal is dangerous and I seek to have
my brake pedal changed to a safe rubber pedal.**

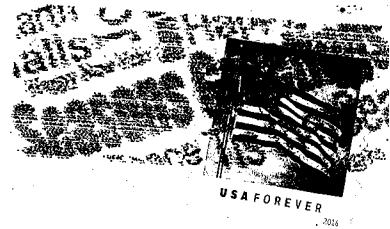

Sincerely,

[REDACTED]
