Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

I have been waiting nearly two years since being notified of the Takata air bag mess. In ~~March~~ of 2015 I made an appt. at Larry H Miller Dodge to get the driver side air bag replaced. On the phone I was told one hour. When I arrived I was told 2 1/2 hours. I left, then called back to make another appt. and he prepared for a 2 1/2 hour wait. I was told I could wait 2 more weeks and the other air bag would be in. This was all August 2015. I am still waiting.
