Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

I bought this car new. I have read they knew this was defective at that time and I was not told. They put my family and friends in danger for 5 yrs before notifying me. Now they are not fixing it and no one can ride in front passenger seat. I feel like I was swindled. All previous correspondence has been by phone except notification of recall.

Thank You
