Dear Sir/Madam

Ref: IMPORTANT SFETY RECALL OF AIR BAG IN NISSAN VERSA.

Since past eight months Nissan North America, INC notified me that Nissan Versa 2010 model, Vin No:3N1BC1CPXAL [REDACTED] 1.8L DOHC 4-CYLINDER ENGINE, 4 SPEED AUTOMATIC TRANSMISSION car has front air bags safety recall.

I went to my local Nissan Dealer, in Wesley Chapel Nissan, 28519 State Road 54, Wesley Chapel, FL-33544, Their Phone No: 813-751-1300.

They have replaced resent Nissan Versa air bags for most people, also, some 2010 Versa models, except mine, every time I go there they make accuses that parts has not arrived yet from Nissan. My friends tells me that it is because you are an old man, not forceful enough, and this is not on. Why they keep making accuses. It is high time they should do something about it and fix the air bags soon.

Please, do let them know to call me and fix it soon.

Hope you help this old man.

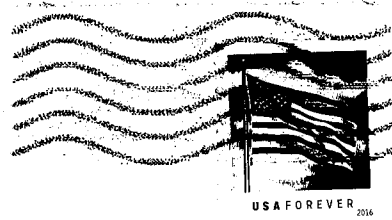

Yours truly,
