Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

I purchased this 09 Corolla from a private seller in Fairfield, Ia. I knew nothing about the recall, if it was on at that time.

Later I received a letter saying my vehicle had a defective airbag. I contacted local dealer about this on or about

I contacted that dealer three more times always being told the part was not even made yet. I feel if this auto was a more upscale car, things would have moved much faster. The only ones that ATTACH ADDITIONAL SHEETS IF NECESSARY had defective air bags were Corollas, Yaris or down. I would like it fixed. If my wife goes with me she has to sit in the back.
