**Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)**

I had truck inspected by local Paint and Body repair shop  
I was told frame, cross members and other components  
badly rusted and would fail. Gas tank straps are rusted  
and Gas tank could fall out. Cannot be repaired unless  
FRAME is replaced. Was told to sell truck as soon as  
possible. Will only get worse.
