Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

My 2011 F-150 that i have had for a year and half that I purchased at Prestigious Motor has been constantly been breaking down and dangerous to drive. The truck has been back to the dealer and has charged me thousands of dollars and is never fixed. The truck has been in the shop more than i owned it. My family and me are in danger every time we drive truck. We never know when the truck will fail driving which it has many many times driving in traffic. The truck is very unsafe and i have no faith in it.
