**Case Details**

Please briefly explain your problem. (In writing, provide my office with a detailed account. Include any additional relevant correspondence that you have initiated or received concerning your problem.)

I received a recall notice from Ford about replacing a part for my Takata airbag.  
I received this notice in July 2016. I recently called Ford to get an update.  
They have no idea when the part will be ready. What can I do other than drive an unsafe car. Please help me. Thank you.

Please state how you would like Senator Nelson to help you.

Find out when the part will be ready.  
And why is Takata and/or Ford allowed to drag their feet.
