Please add the attached file to VOQ 11022643, per Jon Harrison's request.

Thanks

My name I [REDACTED]. Here are the images you requested. The safety pin is noticeably bent, and the diamond shaped hole that the system mounts through has a significant dent on the side closest to the trailer body. If you need any more information just let me know.

Thanks,

[REDACTED]

Interstate cargo trailer

VIN: 4RAVS121XHN [REDACTED]
