

Sir I'd to this may
concern - Administrator

I [REDACTED]
purchased a 2010 Dodge
Charger from Glad
stone Jeep. Located
at Gladstone, Missouri.
I found one defect
the window's came
down in humidity
and rain. My
solution to the problem
was to install a
breaker switch
to the Battery
to shut the power
off and it worked.
The Dodge Charger
was stolen several
months later. There
had been several
attempts before.
These incidents

were reported to
police & court house
officials AND
state fair agents
and the said they
were drinking
beer with it
know is an
alcoholic beverage.
nothing has
been done about
that in
KANSAS CITY, KANSAS
I know that
automobile theft
is a grand
larceny crime
by law which
in the law
book of the
Library of Congress

Please try and
help us [REDACTED]
