RE: 2015 DODGE CARAVAN

DATE: OCTOBER 27, 2017

IN RE: HIGH SPEED ACCELERATION

TO WHOM IT MAY CONCERN,

In Late December '14/Early January '15, My Sister, [REDACTED]

[REDACTED] had purchased a 2015 DODGE CARAVAN. The Vehicle of her choice.

After Numerous of Dealer Service Call, this same vehicle would accel-
rate on its own power while driving down the Road/Freeway, without
touching the Accelerator Pedal, until 'IT' (the VAN) would decide to
act normal again.

It was due this Van's Problem that even after she had seen the DODGE
Dealership Repeatedly, which was to no avail, thus the reason-out of fear
of her own Safety and of the Minor Children Passengers—she had no other
choice but go to another dealership and BRAND, even though she had picked
the CHRYSLER Brand name for a personal reason, it had failed her, WHEREBY,
she had to get out of this vehicle and ended up with Head-Over-Heels in

' DEBT ' ! !

It was due this Van's Problem that even after she had seen the Dealer
ship whom should of place said vehicle under a "Magnuson-Moss Warranty
Act (a.k.a. Lemon [Law])?!? But they failed to do such in turn failing
a very valuable customer!!

'RESOLUTION'

To Pay OFF ALL of the Vehicles in the [REDACTED] HOUSEHOLD's Name!!

As BOTH of the [REDACTED] of this HOUSEHOLD (N.RIDGVILLE, OH.) were
PROUD Owners' of CHRYSLER PRODUCT's!?!?

I, Sincerely, Thank You, In Advance, for ALL of Your Valuable Time &
concerns regarding these matter's & I, Patiently, await for Your Profes-
sional Reply/Resolution of this situation?!?

RESPECTFULLY SUBMITTED.
