Dear Sir,

This has reference to your letter relative to Mitsubishi Airbag Recall. Similar notices were received from other Mitsubishi Motor Centers (See Copy Furnished - page 2)

In this connection, I wish to thank Mitsubishi Motors for this offer of free airbag replacement. However, for reasons beyond my control, I am not in a position to avail of this privilege.

I am a man of advanced age with early signs of visual impairment. As such, I am not capable of driving my car to any of your Mitsubishi Motor Centers, in Michigan or other states. I drive only short distances within the city of Ann Arbor where I reside.

Likewise, I have no relative, friend or neighbor who is available to drive me and my car to any Mitsubishi Motor Center for this replacement.

In view of my inability to respond positively to this free airbag replacement, I take full responsibility for the possible consequence of my decision.

However, should circumstances in the future would enable me to avail of this service (if still available by then), I shall contact Mitsubishi Motors Inc.

Again, thank you and I hope you understand my predicament.
