RE: Defective front suspension and steering system

Note attached photo of broken sway bar end link, passenger side, on an RV with only 13,000 miles. The repair was done by Piedmont Ford in Greensboro, NC.

This should not happen. I know of no incident with my RV that would cause such a break.

The RV is owned by DBU Construction, Inc. I own this business.

RV details:

ALLEGRO 34TGA
CHASSIS VIN# 1F66F5DY6F0 [REDACTED]
