Here are the pictures of our 2016 Equinox
windshield that exploded.

Got a call from GM on Friday 28th
of Dec, again. this time her name
was Emily, she said the dealerships
that looked at the car our their eyes.
Now there assuming there was a
crack somewhere, but they could
not totally inspect the windshield.
Same story from them as before.

Here is a copy of the Invoice
they gave at dealership.

Sincerely
