Subject: Request # [REDACTED] ODI safety complaint #11182761

Dear NHTSA Escalation NHTSA Team,

Automation User added a note to the following request:
Request [REDACTED] ODI safety complaint #11182761

Escalation To @NHTSA Escalation NHTSA Team

for **Customer :** [REDACTED]
[REDACTED]

with following comments
To: nhtsa.webmaster@dot.gov

Hi,
I just submitted a safety complaint for a tire tread failure and could not find an option to submit pictures on the online complaint form. ODI number is 11182761. I have attached pictures of where tire tread peeled and also damage to truck. Tire has been mailed back to BFGoodrich for analysis.
Thank you,
[REDACTED]

Have a great day,

Telesis Service Desk
