INFORMATION REDACTED PURSUANT TO THE FREEDOM OF INFORMATION ACT (FOIA), 5 U.S.C. 552(B)(6)

re: NHTSA ID Number: 11230580

I was contacted today by an investigator with your dept. I didn't record his name. He told me he had reached out to me by email for more information and ask for my authorization to use my VIN in pursuing the problem. I offered to provide photos and references from fellow participants of an online users forum for Thor motorhome products. I've searched my email client and can find no messages from NHTSA other than my original confirmation with the above ID number. If you can direct this to that agent I'd be very happy to supply what information I can.

Thanks in advance,
