Who You Are: Consumer

Incident Description: On 5/15/2013 my daughter was involved in a 1 vehicle accident on Interstate 40 East in Amarillo Texas. She was driving a 2013 Hyundai Accent leased new in February. This was a violent crash in which the car rolled numerous times. Not one airbag deployed and the car was a total loss. Neither Hyundai nor the Dealer seemed worried about the situation. I spoke with both Hyundai and Amarillo Hyundai and was blown off. Safety apparently is not their priority, just the sale of an unsafe product.
