Hi,

You checked No for was it reported to the police. Yes, the police were on scene. I don't know if they made a police report, but the officer was on scene for probably an hour.

You say "VIN was unknown but I gave you the VIN number: 1FC4E4KS3KD [REDACTED]"

It also says that the manufacturer did not assist. The manufacturer of the chassis (Ford) Did assist. They authorized repairs, which were done at a Ford service center.
