INFORMATION REDACTED PURSUANT TO THE FREEDOM OF INFORMATION ACT (FOIA), 5 U.S.C. 552(B)(6)

Administrator  
National Highway Traffic Safety Administration (NHTSA)  
1200 New Jersey Avenue, SE  
Washington, DC 20590

Dear Administrator:

I would like to file a complaint against the American Honda Motor Co., Inc. for failure to remedy the defect on my vehicle as detailed in NHTSA Recall 20V-026. It has been over six months and they have not provided the fix. As directed by correspondence from Acura West, I called and was told that the American Honda Motor Co., Inc. had not provided the fix and they would be in touch when they do.

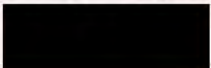

Because of the age of the car I do not feel that the company plans to provide a fix and they are not meeting the legal requirements to do so in accordance with the National Traffic and Motor Vehicle Safety Act. This has caused me great concern and distress that my vehicle is unsafe to drive. Thus, I want to go on record with this formal complaint.

I would appreciate your assistance with this matter.

Sincerely,
