Hi NHTSA,

I just filed a complaint (# 11342748) which seems to be exactly the same as PE 20-010 (<https://static.nhtsa.gov/odi/inv/2020/INOA-PE20010-4553.PDF>).

It looks like there's an investigation for eMMC memory wear-out issue on 2012-2015 Tesla Model S, and I am wondering if it will help NHTSA to take a look at my 2015 Tesla Model S if that helps the investigation.

Tesla told me that I need to pay the replacement cost and the replacement is scheduled for Aug 10th.

If NHTSA needs something from my car for my car, please let me know soon.

Bests,

[REDACTED]
