Re: VIN 1HGEJ6229XL0

I received a safety recall notice from Honda in March, and they are still unable to repair the defective air bag.

Enclosed is a completed "Authorization to Deactivate Air Bag" form.

Please send an Authorization to deactivate the air bag to the above address, so that I can drive safely.

Thank you.

Faint, illegible text at the bottom of the page, possibly bleed-through from the reverse side.
