I have also contacted Acura Client Relations (Case # [REDACTED]) about the same transmission recall that was on my vehicle it is having the same transmission issues as it did when recalled this should be taken care of free of charge at any acura dealership due to the fact it once again is having the same issues for the transmission recall this is unsafe and needs to be fixed. I do have a scheduled appointment tomorrow January 22, 2021 at 12:30pm at Acura in Sioux Falls SD for the airbag recall and a diagnosis and a scanned and legible copy of the diagnosis results requested by Acura Client Regulations. I really hope that this can be resolved and transmission recall be issued for my vehicle and the acura dealership in Sioux Falls SD be authorized to take care of the transmission recall free of charge ASAP on my vehicle I desperately need my vehicle im a single mother of 3 children one of which has serious medical issues and its very important that she gets to her medical specialists and is awaiting a liver transplant (I have medical records to verify this) I need a safe and reliable vehicle to do this and my vehicle is not at all safe with this transmission problem please help me get something done with this
