Subject: Re: Request [REDACTED] Complaint Inquiry

We would like to see more fairness from General Motors with cars that's 2005 Chevrolet Equinox LT that has transmission problems electrical problems our director like the lost his life 2008 electric failure in a 2005 Chevy Equinox transmission a lot of clunk sounds coming out of it when it only had 12000 + 500 miles in 2008 put him down lot of money has been invested in that vehicle when it should have been General Motors responsibility to get everything correct it with default problems he has been fighting it since 2007 up until 2021 we would like to see some results done when 85 more thousand consumers with Chevrolet Equinox LT 2005 have the same problems you have to look at things very close to when people send things to you he's not the only one that is suffering we need something done about this boycott General Motors Factory on 2005 Chevy Equinox when she waited until April of 2015 to send the recall electrical failure ignition and when he carried it to the dealership they wanted him to pay for it when supposed to be paid for by General Motors all cost and total to General Motors responsibility we plan to get everyone that had a problem with a 2005 Chevy Equinox LT Bar cart every General Motors dealership in the state in the next 126 days if things do not change with unfairness that the CEO executive General Motors doing these are not threats these effects for Corporate America blessings to the whole staff safe travels for you all at all times message from civil rights litigation
