My name is [REDACTED] I wanted to see if you can help me on December 1 2020 I sustained a car accident with a elk that destroy my car 2001 jetta vr6 it said it contain 6 airbags wich none activated Im alive by miracle the officers said that its imposible to survive that accident , I was left with a hematoma cousing memory loss, PTSD, ald partial desability on my right shoulder,hand , and face . now I face disability and medical bills 200, 000 I never thought that a car that was so secure was not .

I was hoping to contact Volkswagen but they dont have no links or ways to approach them please if you have any advice I will appreciate.

Good bless!
