The 2014 Chevy spark should not be on the roads the propose a threat to the buyer and goes against the laws of consumers protection . The saftey was not considered when this car was made . i have ask for the buy back and the refused on alligations beside the point to suggest that i take the car again to be repaired knowing that this car safety is an issue no concern for my life and other . im out of my money a car that put my life at risk its not right . please follow up on this matter sincerely all lives matter and manufacturers should be held accountable for their actions .Making of a death trap 2014. Chevy spark . I pray for resolution.

Why are Chevy Sparks so cheap?

The **Spark** is incredibly **cheaply** made, much more so than similarly sized cars like the Nissan Versa and Honda Fit. This helps keep the initial purchase price down, but it also means that the cars disintegrate fairly quickly, and there's not much of a used market for them. Low demand leads to low cost.
