Reference No. 11420930

Please be advised that I have now become aware of a fourth incident involving a drivers side taillight assembly falling of a Regency RV unit.
There is little doubt that this is a design flaw which creates an unsafe situation for the driver of these units and a safety hazard for other motorists, as these assemblies fall off on interstate or other highways.
Feel free to contact me at any time for further information.
Respectfully,

[REDACTED]
