Good Day Sir /Madam,

With utter frustration I am trying to reach you as Honda or their local dealers have so far not answered my calls or responded to my email or messages so far - Honda has appointed a case manager and case number for Honda is [REDACTED] but other than that nobody from Honda or their dealer has responded and because of heavy unrelenting rains the car floor on front passenger side is getting flooded with rain water and I am not sure what should I be doing at this time.
