My complaint number is 11445396. I want to supplement it with new information. How do I do that.

There was a recall of my vehicle, a FIAT 500C, in Australia. I would like to know if that recall was reported to NHSA and/or if it was required to be provided to NHSA under the law. Can I speak to a representative about that recall?

How can I review my complaint and upload more documents to it?
