Greetings and good afternoon, I turn to you in order to alert about a recall for unit # 5XYZW4LA8JG5 [REDACTED] received a security notification and when I claim the dealership in Puerto Rico, they inform me that the parts are not available in and that they must be requested at the factory (Korea)

We commenced with this claim in August 2021 at the Hyundai dealership on Kennedy Avenue in San Juan and upon moving my residence, they finally processed it at the Mayaguez dealership on Highway # 2.

Understanding that this is a security issue, I turn to you for instructions on how to proceed.
