

CL-11449242-9865

Sirs,

I wrote before. I got in touch with with people on class action about my car with Hyundai. They told me to have car taken to Five Star Hyundai in Macon Ga.

I had it towed again to location I was told to take it to.

The service manager called me and said they did recalls on vehicle, and the engine has siezed up, but said Hyundai denied putting an engine in vehicle.

I was under the impression by Schexper (Att.) Class action engine seizure that

was suppose to fix vehicle.

Now I've had it towed twice and to get vehicle back will have to have towed again.

I wouldn't have towed to Five Star in Macon Ga to have recalls done on vehicle that engine siezed up on. & not driveable
