Hi, so I've been trying to get a clear answer for about a month now regarding a petition to recall letter that I sent you guys at the beginning of April or late March . You guys have uploaded my letter to you and put it as an addition to my nhtsa complaint for the 2015 Mercedes' c300 that I'm trying to get you guys to investigate . You guys left my cell phone number and my name uncovered in the part of the dealer invoice but covered all personal information everywhere else so I'm assuming you guys missed that one .
So my question is - did my petition to recall go to the right person ? Have they started to look into it already ? I was given the email to someone in the department of transportation but it's been over a week and no reply . I've been having problems with nobody replying from various government offices as most are working remotely . I'd like to know what to expect next . Where do I get updates on what's happening with my petition . There's no information online regarding it . My name is [REDACTED] and I have a 2015 mercedes benz c300 with a safety issue
