Federal Agency Involved: NHTSA case # [REDACTED] 11450033 Lincoln case # [REDACTED]

Explanation/Request:

I own a 22 Lincoln Aviator plug-in that quit on the interstate 2 separate times. Once while my wife was coming home from work. The 2nd time my children were in the car, ages [REDACTED]. She was in a construction zone, coasting at 37mph for a couple of miles. (I have a video of it) Lincoln has stated over and over again that they see nothing wrong with the car. They can not find a thing wrong. They are lying. Vehicle diagnostics shows cpu has disabled the engine 14x since 12/20/22

How I may be of assistance:

Please ask the NHTSA what they are doing about it

Have you contacted another Congressional Office?

If yes, which office have you contacted?

Are you working with an attorney on this matter? No

Persons to whom we can discuss your case (ex.: Name of friend, family member etc.):
