CAUTION: This email originated from outside of the Department of Transportation (DOT). Do not click on links or open attachments unless you recognize the sender and know the content is safe.

The correction that needs to be made in this report is that the dealer and manufacturer was contacted and the dealer diagnosed the vehicle and they both refused to acknowledge their defective product and told me that I was on my own. If I wanted to fix the vehicle it will cost me 13000 out of pocket.

Please see the attached copy of your recent complaint and instructions. Please make any necessary edits and return via email to dataquality@dot.gov or fax to [\(202\) 366-1767](tel:(202)366-1767). Due to the volume of complaints we receive and our limited resources, we cannot respond to every complaint.
