Hi,

I sent a follow up email last week regarding my last name. It is [REDACTED] not [REDACTED]. I also wanted to send you photos and videos of what happened.

This is a picture of my view after the incident. You can see the hood was flush with the windshield.

Here is a video showing the locking mechanism for the hood is still locked to car. We found 2 of the 3 bolts one right beside the lock and one in the grill.

Please feel free to reach back out to me with any additional questions.

Thank you,
