Dear Sir or Madam:

On September 26, 2022, I had a life-threatening incident on Highway 287 south bound just before exit 55 in Wanaque, New Jersey. My car hit a pothole that was exceptionally large and deep as it blew out my left front tire causing me to almost lose control of my car. As I was in the slow lane, I was able to pull to the side of the road and did have my spare donut tire put on by contacting AAA. I subsequently had a new tire put on the same day.

On September 6, 2022, I had four new Michelin tires put on my car at a cost of \$1,000.00 or \$250.00 per tire (see attached invoices). As a result of the pothole problem, it cost me an additional \$250.00 for the new tire. I request that the DOT reimburse me for my new tire as this is a danger for motorists that should have been taken care of and I hope by now it has.

Thank you in advance for considering my request.
