INFORMATION REDACTED PURSUANT TO THE FREEDOM
OF INFORMATION ACT (FOIA), 5 U.S.C. 552(B)(6)

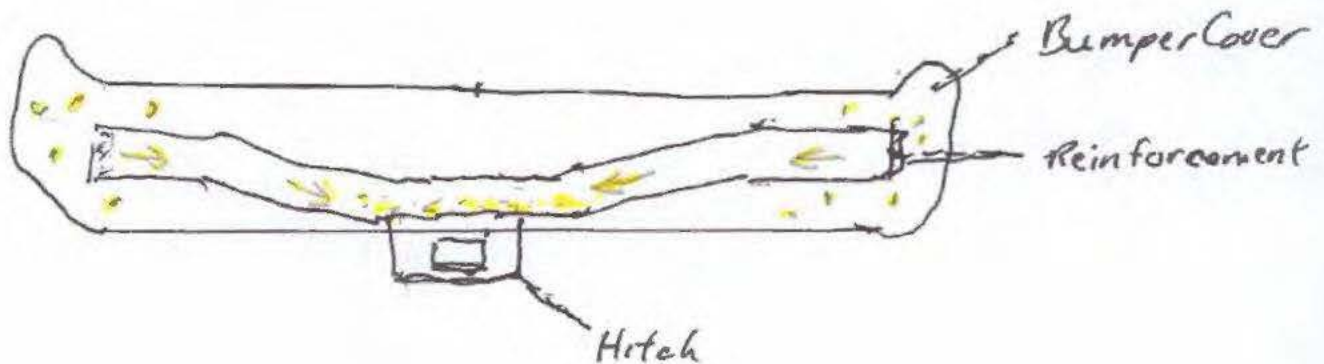

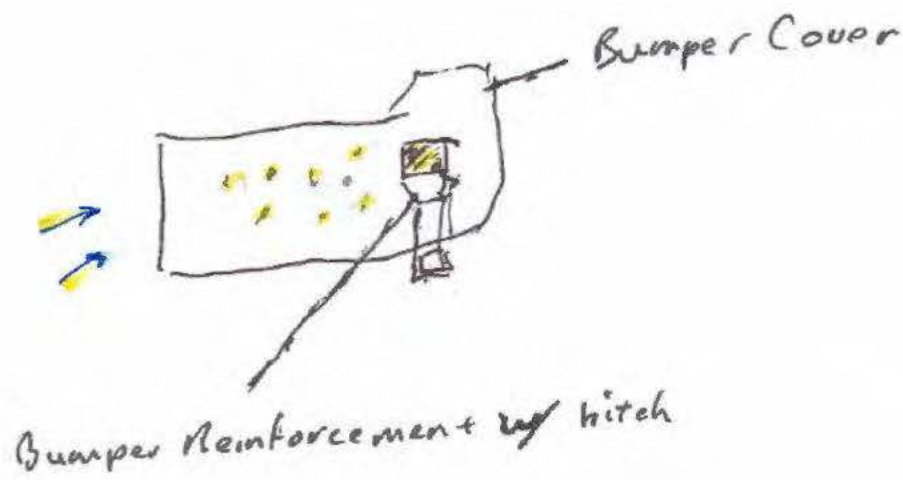

NHTSA

We purchased a used 2004 Dodge Durango with a tow package. The owner lied about the hitch defect. The rusting away of the hitch and how it's hidden by the bumper cover makes for a dangerous situation. I think you should force a recall on these vehicles and ones with like type bumpers. The bumper/reinforcement/hitch is no longer available at Chrysler. My vehicle, although safe is not repaired, it appears to have been in a rear end collision.

Road salt gets funneled into the open ends of the bumper/hitch by the bumper cover. The damaged hitch is hidden by the bumper cover.
