To whom it may concern,

I have received a letter regarding a recall notice 22S06 / NHTSA 22V082 on my 2017 mustang (VIN: 1FATP8UH8H5 [REDACTED]) for the backup camera. I have been having a problem with mine since March of 2022 and have been going to Sam Galloway Ford in Fort Myers, FL to get my recall fixed. I have had 3 appointments with the dealership regarding this issue and they still have not been able to fix it. Please let me know how we can handle this situation so I can finally get my recall fixed. Thank you.

Sincerely,

[REDACTED]
