

U.S. Department of Transportation  
**National Highway Traffic Safety  
Administration**

December 29, 2022

NEF-109 ela  
Ref. No. 11494394

Fort Myers, FL

Dear [REDACTED]:

Thank you for the letter about your model year (MY) 2017 Ford Mustang vehicle. Your letter was forwarded to the National Highway Traffic Safety Administration's (NHTSA) Office of Defects Investigation. I am pleased to respond.

NHTSA is the Federal agency responsible for improving safety on our Nation's roadways. We are authorized to order manufacturers to recall and repair vehicles or motor vehicle equipment when our investigations indicate that they contain safety defects, such as in their design, construction, or performance. Among other activities, we also monitor the completion rates and adequacy of manufacturers' recall campaigns.

We appreciate the report you provided. Reports from motorists are a very important source of information for NHTSA. Your MY 2017 Ford Mustang is affected by NHTSA Safety Recall Campaign No. 22V-082. The rearview camera wiring may be loose or damaged, which can result in a blank or distorted image in certain MY 2015 through MY 2017 Ford Mustang vehicles. The repair involves inspecting and repairing the decklid wiring harness and/or replacing the rearview camera, as necessary.

We understand your concerns with the parts delay for Recall 22V-082. Please note that it is not unusual for manufacturers to have an inadequate inventory of recall parts shortly after a recall is announced. Recall parts availability can be affected by numerous factors including, but not limited to, redesign, testing, manufacturing and logistics. We encourage you to continue to follow up with Ford and your dealer on the status of the parts availability for Recall 22V-082.

If you encounter a safety-related problem with a motor vehicle or motor vehicle equipment in the future, please complete an electronic Vehicle Owner's Questionnaire online at [www.nhtsa.gov](http://www.nhtsa.gov) or call the Vehicle Safety Hotline at 888-327-4236. Also, you may review owners' complaints, safety recalls, manufacturers' service bulletins, etc., on our website.

Sincerely,

Randy Reid, Chief  
Consumer Engagement Division  
Office of Defects Investigation  
Enforcement
