Dear Sir. I believe the information provided is correct. The Nationwide Insurance Company decided to "total" my vehicle. The cost to repair was apparently too high. After my initial conversations with Corp Jaguar I've heard nothing. I've heard nothing from the Jaguar Dealership either. I'd be happy to answer any further questions by phone or email. I do have concern that Corp Jaguar will NOT address the situation which puts others driving the F-Pace Jaguar at risk for injury or death. Thank you. [REDACTED]
