Re: Safety Recall 22S43 / NHTSA Recall 22V413... VIN 2FMPK4J92JB [REDACTED]

To Whom It May Concern,

On 12-19-2022, (8am), I left my vehicle for recall repair as scheduled at Atchinson Ford in Belleville MI. When I picked up my vehicle, the Atchinson Ford representative claimed that "the paperwork was not printed but was in the "system" so I wouldn't need it."

Should I have any further issues regarding the affected recall item(s), I want it to go on record that I did, in fact, take my car into Atchinson to have the repair done. I don't want Atchinson Ford to claim that I did not bring the vehicle in, in the event something does occur, or we find that the repair was not done at all. (I dropped the car off at 8am and received Atchinson's call that the repair was done within the hour)

Thank you for your time,
