To Whom It May Concern,

I'm emailing to request that my complaint #11502457 is something that has already been brought to the attention of NHTSA and been litigated.

I had just experienced the situation (that has already been reported by many others and brought class actions against the offending parties) was emotional about it and sent an email complaining.

I don't want to waste any of the agents time investigating something that has already been dealt with and I would respectfully request that the complaint I filed to be deleted.

Sincerely,
[REDACTED]

Thank you,
