Dear [REDACTED]:

Thank you for the letter about your Lucid Air vehicle. Your letter was forwarded to the National Highway Traffic Safety Administration's (NHTSA) Office of Defects Investigation. I am pleased to respond.

NHTSA is the Federal agency responsible for improving safety on our Nation's roadways. We are authorized to order manufacturers to recall and repair vehicles or motor vehicle equipment when our investigations indicate that they contain safety defects, such as in their design, construction, or performance. Among other activities, we also monitor the completion rates and adequacy of manufacturers' recall campaigns.

We appreciate the report you provided. Reports from motorists are a very important source of information for us. We entered your information into NHTSA's database, where it will be used with other reports to identify any safety defect trends that may require our attention. You can learn more about NHTSA's investigation and recall process on our website at [https://www.nhtsa.gov/sites/nhtsa.dot.gov/files/documents/mvdefectsandrecalls\\_808795.pdf](https://www.nhtsa.gov/sites/nhtsa.dot.gov/files/documents/mvdefectsandrecalls_808795.pdf).

We encourage you to continue to work with Lucid, your dealer, and Electrify America to explore the potential for an amicable resolution to your problem. You may also ask your dealership for a meeting with a Lucid district manager regarding your problem. You could consider contacting your local Consumer Protection Agency or the California Attorney General's Office regarding your problem and rights under state law.

You may also consider contacting the Better Business Bureau (BBB) Auto Line. The BBB offers free mediation/arbitration to resolve warranty disputes under guidelines established by the FTC. Remedies include repair, reimbursement, repurchase or replacement, depending on program eligibility. You can visit their website at [www.bbb.org](http://www.bbb.org) to file a complaint and review eligibility information or call the BBB Auto Line at 800-955-5100.

If you encounter a safety-related problem with a motor vehicle or motor vehicle equipment in the future, please complete an electronic Vehicle Owner's Questionnaire online at [www.nhtsa.gov](http://www.nhtsa.gov) or call the Vehicle Safety Hotline at 888-327-4236. Also, you may review owners' complaints, safety recalls, manufacturers' service bulletins, etc., on our website.

Sincerely,

Consumer Engagement Division
