Considering Hyundai's extensive engine failures and this car's excessive oil consumption, I didn't feel safe driving this vehicle. I sold it to Team Honda in Merrillville IN 4/1/2023.

My hope is to help future owners of Hyundai/Kia vehicles to not have to experienced various degrees of engine failure and dishonest practices of said companies. I hope for a sensible resolution to this huge problem. I didn't plan on selling my Hyundai any time soon. I experienced a great deal of anxiety due to the known Hyundai engine issues including my own Santa Fe. Financially, Hyundai has also put me in a bind. Please contact me if I can be of any assistance for current and/or future Hyundai/Kia owners!

Thank you,
