

Question 8 Concerns

So I Purchased a 2017
Kia Sportage 2yrs ago -
And Shortly after found out
this SUV had Numerous
Issues.

The VIN:

I contacted the Dealership
to return this SUV with
no Satisfaction.

I+ took twice of taking it
to Madison to Russ Darnico
to get the recall fixed or I
think fixed.

By Driving this SUV my
Anxiety gets the best of me
because I'm afraid of a fire
starting at any given moment.
Tried Trading but owe too much
for what it's worth.

What are options to get
this SUV off my hands

And something I feel safe

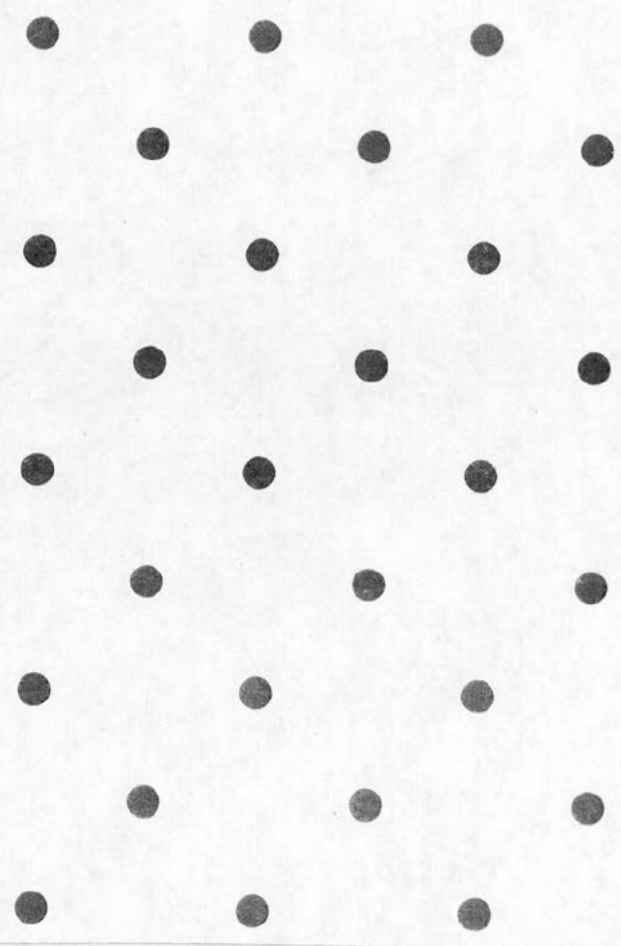

in -

Kaiser Ford in Sauk City is
where I purchased. And was
never told of outstanding recalls.

Any assistance is welcomed.
