Hi I am wondering what is going on with my complaint I made? I sent everything in back in June of this year and haven't heard anything. please let me know something.

Thank you,

Hi, I have attached the edited VOQ along with the invoice for my vehicle. I also have videos that I had taken on April 29th (NOT May 1st as I had wrote on the VOQ) to break down from one long video of what my vehicle was doing when being driven before I got a new transmission. I will be forwarding the emails to you that I was told to send to vsh@dot.gov that have the videos in them.

Thank you,
