The contact owns a 2017 Subaru Impreza. The contact received notification of NHTSA Campaign Number 22V624000 (Exterior Lighting) however, part to do the recall repair was unavailable. The contact stated that manufacturer had exceeded a reasonable amount of time for the recall repair. The manufacturer was not notified of the issue. The contact had not experienced a failure. VIN tool confirms parts not available.			
Include, if available, Police/Fire Department Report, Photos, and Repair Invoice.			
ATTACH ADDITIONAL SHEETS IF NECESSARY			
The Privacy Act of 1974 (Public Law 93-579). This information is requested pursuant to authority vested in the National Highway Traffic Safety Act and subsequent amendments. You are under no obligation to respond to this questionnaire. Your response may be used to assist the NHTSA in determining whether a Manufacturer should appropriate action to correct a safety defect. If the NHTSA proceeds with administrative enforcement or litigation against a manufacturer, your response, or a statistical summary thereof, may be used in support of the agency's action.

Subaru Safety Recall WRG-22
NHTSA ID 22V-624
October 2022
Interim Notification

Dear Subaru Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

SUBARU OF AMERICA, INC. has decided that certain 2017-2019 model year Impreza vehicles equipped with halogen headlamp assemblies fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 108, 'Lamps, Reflective Devices, and Associated Equipment.' As a result, Subaru is conducting a recall.

You received this notice because our records indicate that you currently own one of these vehicles.

REASON FOR THIS RECALL

The left front and right front halogen headlamp assemblies, containing the side reflex reflector and low beam reflector, may not fully meet requirements set forth in FMVSS No. 108.

At certain viewing angles, the left front and right front side reflex reflectors may not properly provide reflected light, which may lower the vehicle visibility to other road users, increasing the risk of a crash. Additionally, the left front halogen low beam reflector may not properly illuminate the roadway for the driver and/or may cause glare for other road users, increasing the risk of a crash.

WHAT SUBARU WILL DO

Parts to repair your vehicle are not currently available. Once parts are available, Subaru will send a follow up letter, and will replace both front headlamp assemblies at no cost to you.

WHAT YOU SHOULD DO

We appreciate your patience as we acquire the parts for this recall. Once you receive the follow up letter stating that parts are available, please contact your Subaru retailer (dealer) to schedule an appointment for this repair. You may also check the current status of this recall at <https://www.nhtsa.gov/recalls>, and enter your 17-digit VIN shown at the top of this letter.

OWNER INFORMATION

Government regulations require that recall notifications be sent to the last known owner of record. That information is based primarily on state registration and title data. If you are a lessor of this vehicle, federal regulations require you to forward this notice to your lessee within ten days.

If you have moved or sold your vehicle, please go to <https://www.subaru.com/support/customer-support.html> to send us your information.

IF YOU HAVE PREVIOUSLY PAID FOR A REPAIR
