

(5-18-27)

CL-11525334-1000

ref. Drive shaft on
my 2015 Dodge Challenger
if I did not go to my
local repair man, He
found that the shaft
was unsafe to drive
I called Dodge and got
The same old answer, we
have no reports! Not true
if it fell out, I would not
be wright this,
