My name is [REDACTED]. I called over a month ago to make a complaint about my airbags not coming out during a terrible car accident. I have heard nothing back from anyone. I would appreciate if someone could please let me know SOMETHING ASAP. My car is being held at a place that keeps calling me and wanting to know what is going out. My car was up for auction but was put on hold due to me contacting you guys. Can someone please call me . [REDACTED].
Thank you!!!
