>> Hello,  
>>  
>> I contacted the NHTSA hotline regarding revising a safety complaint I submitted in January 2024. They directed me to reach out via email. I need to revise the complaint because it was my first time using this website, and I was unsure of what to include. Upon reviewing the complaint online, I noticed I included the name of the city and dealership and that is viewable to the public. I also attached documents I didn't want to include.  
>>  
>> I would like to remove the dealership's name and remove the attachments. I will like to remove all attachments.  
>>  
>> Respectfully,
